Sheltered Housing in Cowes

## Welcome to Clifton House

Built in 1860 for Dr William Hoffmeister, surgeon to the Royal Yacht Squadron and later, physician to Queen Victoria, Clifton House has a wonderful history.

At Clifton House we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Delicious, daily home-cooked meals and communal area housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and a beautiful garden to relax in.

# Happiness starts with you

We believe in enjoying later life and will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

## Abbeyfield features

Clifton House offers support and companionship to older people wanting to retain their independence and live among a social group of likeminded people.

Clifton House is made up of eight en-suite rooms with kitchenette facilities. All rooms are provided unfurnished allowing residents to bring their favourite possessions with them when they move in.

Completing our home is a communal dining room and garden.

## Your retirement

When you live with us you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Clifton House.

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Clifton House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Clifton House.

**"These aspects of life at Clifton House sets us apart from other providers."**
